EXECUTIVE ORDER D-225-27  
Relating to Exemptions Under Section 27156  
of the Vehicle Code

CRANE CAMS, INC.  
HIGH INTENSITY VARIABLE DURATION HYDRAULIC LIFTERS

Pursuant to the authority vested in the Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Sections 39515 and 39516 of the Health and Safety Code and Executive Order G-45-5;

IT IS ORDERED AND RESOLVED: That the installation of the High Intensity Variable Duration Hydraulic Lifters manufactured by Crane Cams, Inc. of 530 Fentress Blvd., Daytona Beach, FL 32114 have been found not to reduce the effectiveness of the applicable vehicle pollution control system and, therefore, are exempt from the prohibitions of Section 27156 of the Vehicle Code for 1991 and older General Motors vehicles that are powered by a 262 to 400 CID gasoline engine and originally equipped with flat tappet hydraulic lifters.

This Executive Order is valid provided that installation instructions for these lifters will not recommend tuning the vehicle to specifications different from those submitted by Crane Cams, Inc.

Changes made to the design or operating conditions of the lifters, as exempt by the Air Resources Board, which adversely affect the performance of a vehicle's pollution control system shall invalidate this Executive Order.

Marketing of these lifters using any identification other than that shown in this Executive Order or marketing of these lifters for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the Air Resources Board.

This Executive Order does not constitute any opinion as to the effect the use of the hydraulic lifter may have on any warranty either expressed or implied by the vehicle manufacturer.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF CRANE CAMS' HIGH INTENSITY VARIABLE DURATION HYDRAULIC LIFTERS.

No claim of any kind, such as "Approved by the Air Resources Board" may be made with respect to the action taken herein in any advertising or other oral or written communication.
